The chance is good bel, & I considered it my duty to inform you of it. Major Chambliss wants powder but of course not in that quantity.

You can send your orders direct to me here, (if you consider this as important as I do) enclosing if you please instructions concerning the procurement of the necessary funds. There is a Sub-Treasury in this City.

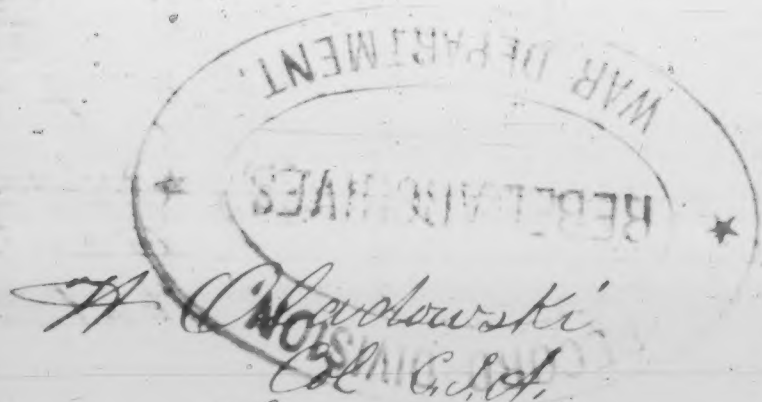

Praying your consideration

As Inspector of Field Transportation your duties will be as follows:

In these inspections, which should be made as frequent as circumstances will permit you will note the condition of the Transportation, the treatment it receives, the manner in which it is used, the amount of forage received, how it is fed, and whether the amount, distribution and uses of the Transportation are in strict accordance with the orders from the Hd. Qrs. of the Army regulating the same; and further, whether the officers charged with the property, so equalize its employment, as best to insure the preservation of the whole property, and for the best interest of the service. It is your duty to see that no unauthorized use, for private purposes, <sup>is</sup> are made of the public animals, or other means of Transportation, and all abuses and violations of the orders or regulations concerning the same, you will endeavor to correct and promptly report to the Chief Inspector of Field Transportation for the Army. You will also ascertain

the number of public and private animals foraged, and see that no unscrupulous or unnecessary animals are kept within the limits of the army, eating forage and encumbering army movements. You will claim as public property, all animals branded "U.S." & "C.S." found in the hands of private individuals, and claimed by them as private property, and all animals and other means of transportation, captured from, or abandoned by the enemy, you will take charge of and send to the Depot in the rear, calling upon the Commander of the Corps, when necessary, for such detail as you may require for securing the same.

Lt Col.

Miller Commanding 17th J. V. C. S. A.

My attention being directed by you to Sunday charges made and refused by Mr. Davis and Widow Patten. against Col. Newman's Regt. 17th J. V. C. S. A. Commanders by you.

In answer to the charges. I am sorry to hear of the fence having been having wheat fields exposed & tearing down paling from garden fence. The Command was east of the wheat field & the garden as I suppose was also east.

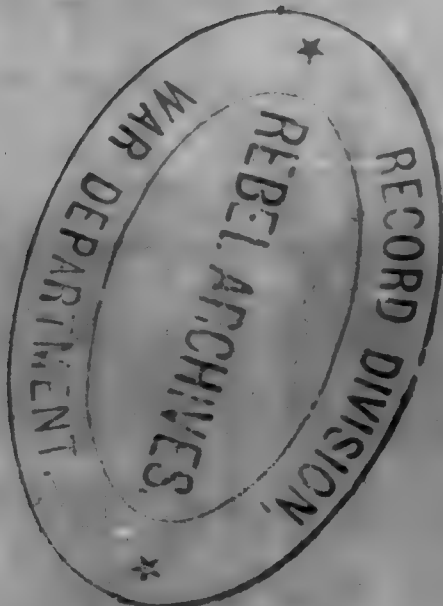

The fence next to your camp was laid down in one place near the North East Corner I am not able to say by whom.

The fence was all carried away on the South side of the field next to the rail road and the thing on the east side next to the rail road say ten to fifteen panels on the same evening. I saw some men opening the rail road with rails on their shoulders with whom I demonstrated and ordered them to carry back their Command was encamped nearly opposite the wheat field and on the South side of the rail road.

Capt. Finch & Landis with their Companies of your Command were encamped nearest to the field and wheat field. My quarters was also on this side of the encampment and in Capt. Landis' Company I saw no one remove or burn a rail paling or anything else except the timber cut from the fence by any one of the Command.

The Command remained at this encampment - one night and the Major part of two days removing in the evening of second day to your property - encampment. Respectfully

Lt. Col Miller Commanding 17<sup>th</sup> T. V. C. S. A.

My company on our arrival near Corinth on 9<sup>th</sup> inst. was encamped on the North side of the Rail Road, extreme west of the Regiment and east of a Wheat field, about which charges and allegations have been preferred by Mr. Davis & Melan Patton.

I am confident that as far as the Command was damaged or destroyed any of the property mentioned in said charges against the Command, there was a marching out land and branch between the encampment and the fence.

Had any one of the Command taken rail to Union I would have been most likely to have seen them pass - or had my own Company landed or destroyed any of said property I should have seen it. The Orders have been very strict in the Command, as are being permitted to destroy private property.

Sir: I was ordered by the Sec. of War to report myself to you for duty about the first of last September; when I did, and was assigned by you to Hospital duty in Alexandria Va. I have had charge of a Hospital in that place up to last Friday when our Troops fell back to this point. I now beg leave to report to you for duty, & if you will be so kind as to favor me with any preference in this matter, I would beg to be assigned to duty in San Antonio (where I have many friends & relations) or to San Antonio or Richmond. I studied my profession in the Charity Hospital of New Orleans & feel that I am prepared to render the service more in that department than any other.

Respectfully Yours Obedt Servant

Col Jones, Chief of Artillery, has made application to have a Quartermaster assigned to him, stating that he has under him three Battalions of Artillery, and out an Officer of this Dept with any one of them. He represents that two of the Batteries attached to Butchers Batten of Artillery A. N. V. are reported to have been captured, and makes special application for Capt. F. H. Lane, Quartermaster of that Batten, if Captain Lane's services can be dispensed with without inconvenience to the service, in your Army. I would be glad to have you order him to report to me, that he may be assigned to Col Jones.

If you cannot spare Capt Lane, please send me any other Officer whom you may have unemployed, who can perform the duties required.

March 2 - 1862

Edward H. Lane, Esq  
Dear Sir,

You are fully authorized to state that, in my judgment, at least one additional Capt. Commissary of Subsistence with the rank of Captain is needed for service in this Department. There are Stations & depots of supplies at various points on the Pennsylvania where there is no bonded officer stationed & at which large stores are, if necessity, deposited to meet the wants of the troops & these are in charge in many cases, of privates detached from the ranks of the Army who have acquired no bond who are often found unqualified for the service. This results from the deficient supply of commissioned officers. The great care is taken to select the best men they are often of necessity, unacquainted with their duties, & the public service suffers.

Knowing your efficiency, integrity and excellent business habits and capacity I should think the public service greatly subserved by your appointment as 6th Com. Sub. to be held for service to this Pennsylvania.

Yours, Dear Sir,

Very Respy & truly Yours

Sir, I take the liberty to enclose  
to you a letter just received  
from Col. James H. Lang, as  
a better statement of his case  
than I could make. I think,  
so what he has, I think,  
certainly stated as to his services  
I will add, that when he was  
command of a Regiment he was  
ordered to report the 1st  
Regiment to me - that he arranged  
his Regiment in a very  
convenient and successful  
manner and that I regard him  
as an intelligent and accomplished  
officer and one like Mr. Davis  
to his duties. Mr. Davis  
is, better known to his immediate  
Command than  
I am.

for my inspiration is that it has

Gen. J. R. Anderson

Dear Sir

Doubtless you  
have already heard of the death  
of Brig. Gen. L. H. B. Branch, who  
fell in the battle of the 17<sup>th</sup> near  
Sharpsburg Md. He commanded  
the 4<sup>th</sup> Brigade in Maj. Gen. A. P.  
Crittenden's Division, and I now write to  
ask you to use your influence to  
have me appointed to fill the  
vacancy caused by his fall.

I have passed through all the  
grades from the Adjutant to the  
Colonel, was amongst the first to  
enter the service in defence of  
Southern rights and in the Bethel  
fight, as you are aware participated

in all those around Richmond,  
and led my Regiment in all the  
still more recent engagements at  
Manassas and elsewhere, and have  
at different times already commanded  
this Brigade.

I graduated second in Tactics at the  
V. M. Institute, subsequently gave  
instructions at the same Institution  
as Asst. Professor of Tactics, and  
still more recently at the R. C.  
Mil. Institute as full Professor.

I simply mention these facts together  
with the experience I have had  
to show that I am competent to  
fill the place, and as Senior Colonel  
of the Brigade I think I am entitled  
to it.

Anything you may do in my behalf  
will be highly appreciated by  
Yours most truly & respectfully

Brig. Genl. Simon F. Hill.

Dear Sir:

— Allow me to presume  
upon your kindness again & ask you to  
use your influence to secure me the  
position which I am now seeking.

Brig. Genl. L. H. Branch, commanding  
this, the 4th Brigade, in Genl. A. P. Hill's  
Division, was killed in the recent en-  
gagement at Sharpsburg Md. on the  
18<sup>th</sup> instant, and I, as Senior Colonel,  
am now in command of the Brigade.  
Genl. A. P. Hill has expressed himself  
satisfied with my services & intends  
recommending me to fill the vacancy,  
which must wait the approval of  
the Officers of the Brigade, as shown  
in the petition which will be for-  
warded to the Secretary of War.

through Genl. Rice. I wish you  
General would recommend me directly  
and at once to the President for the  
position, if it is not asking too much.  
I would like you to write to Hon.  
Saml. S. Lloyd & request him to interest  
himself in my behalf.

As Major of the 1<sup>st</sup> R. C. Regt. I was  
~~with~~ the Bethel fight, and afterwards  
served with the same Regt. as Lt. Col.  
on Genl. D. H. Rice's promotion. I was  
elected just one year ago Colonel  
of the 1<sup>st</sup> R. C. Regt. & was again  
unanimously elected to the same  
position, on its reorganization as a  
War Regiment, before the passage of  
the Conscription Act. I was with my  
Regiment at Hanover C. H. & in all  
the fights before Richmond, was with  
it at Cedar Run, in all the fights  
at Manassas the engagements at  
"Old Mill" (near Fairfax C. H.), Napsin  
Ferry, Sharpsburg, & Shepherdstown.

have been absent from my command  
only five days since I entered the service.

This Brigade under me, took a  
prominent part in the action at  
Shepard's Run which has been spoken  
of in very commendable terms by Maj.  
Genl. Jackson.

I graduated with the second honors  
of my class at the U. S. Mil. Institute  
where I subsequently served as Asst.  
Prof. of Mathematics & Asst. Instructor  
of Tactics. I was afterwards Prof.  
of Math. & Instructor of Tactics in  
The State Seminary at Florida at  
Tallahassee, and at the outbreak of  
hostilities, was Professor of Natl.  
Philosophy & Instructor of Tactics  
in the U. S. Mil. Institute at Charlotte,  
of which Genl. Genl. J. K. Hill was  
Superintendent.

I mention these facts to show you  
that I am competent to fill the  
position which I now seek.

The following is Gen. Lee's official  
acknowledgment of the receipt of the three  
flags captured by my Brigade in the  
flank movement in front of Spotsylvania  
Co. Va. on the 12<sup>th</sup> of May 1864. I have in  
my possession the original, written in  
pencil by Col. Venable

Head Quarters A. R. Va.

On Battle-field, May 13. 1864.

Maj. Gen. C. M. Wilcox, Comd<sup>g</sup> Division,  
General:

Gen. Lee desires me to acknowledge the  
receipt of the flags captured by Lane's  
Brigade in its gallant charge of yesterday.  
To say that they will be forwarded to the  
Wm. Secrelary of War, with the accompanying  
note, & the names of the brave Captains.

I am very respectfully,

Yours obedient servant,  
C. S. Venable, A. D. C.

The following resolutions are really official documents. They were the result of a sub. word effort on the part of the highest officers to find out for the Confederate Government, the sentiments of the army ~~of the South~~ of Northern Virginia. They were all, in accordance with a previous understanding, forwarded by me through regular Military Channels.

No action was taken by the 7<sup>th</sup> & 33<sup>rd</sup> N.E. Regiments of my Brigade, because they were what were called in the State at Irish "State Troops" - regular war regiments - organized from the Irish to serve throughout the war: 33

Captain:

Complying with the request of the officers & men of the 28<sup>th</sup> Regiment, it gives me pleasure to attach to

31

Gen. Lane that his gallant old regiment -  
knowing that the term of service for which  
it was organized under his command would  
expire in September next; & believing that  
the cause in which it then enlisted so cheer-  
fully, is just & righteous, & that it dees  
demand the undivided strength of all -  
has resolved to reindish for the war, a -  
dopting the resolutions of Brnpny Co.  
which are enclosed herewith.

I only embody the individual sentiments  
of the 28th M. C. Regiment, when I express  
the hope that the kindly relations, which  
have heretofore existed between it & its  
original Colonel, may be perpetuated,  
& that he may be spared to Command  
us to the close of the war.

I am, Captain, very respectfully,  
Your obedient servant.

 that our brothers in arms, - struggle for  
 justice of the existing situation of true

Capt. W. L. Nicholson, Chairman of the  
committee, reported the following Resolutions,  
as recommended by all of the Committee  
except Serg. J. W. Alexander of Company C.

We commenced none in line of them;  
Resolved, that we are still determined that  
 our Country shall be a free & independent  
 nation, notwithstanding the adverse procla-  
 mation of Abraham Lincoln; & we do hereby  
 pledge anew our property, our lives & our hon-  
 our all, never to submit to Abolition by any  
 man & unbecome.

Resolved, that we originally enlisted, as a government  
 for twelve months because we believed that our  
 Country needed us in the field, & that we  
 afterwards re-enlisted for two additional  
 years or the war before the passage of the Conscrip-  
 tion Bill had been introduced in Congress, because  
 we thought she still needed us; & that now,  
 actuated by the same belief, we tender to  
 the Government of our Country our services  
 in the field for the war, unconditionally  
 without reserve.

Resolved, that we are perfectly satisfied  
 with the present organization of our army,  
 & have unlimited confidence in the

space, having & patriotism of our General.  
Resolved, That whosoever bears arms to do our duty,  
 we shall respect the Authorities to do the same;  
 we shall respect them to see all deserters &  
 thieves from our ranks struck at the stake  
 in disgrace. We shall respect them to allow  
 us to work our homes once every twelve months,  
 at such time as the exigencies of the service  
 will permit; & shall respect them to see  
 us the & shore us, & wish to allow which helps  
 Subordinates to make us suffer by their  
 inaction.

Resolved, That we are ready to endure  
 without a murmur all necessary hardships  
 & privations which the good of the cause  
 may demand.

Resolved, That we call on freely upon all  
 good people at home to give us their sympathy &  
 support, to send us food to sustain life &  
 recruit to free our wounded ranks.  
Resolved - That a copy of these Resolutions be  
 sent to the Congress of the Confederate States, to the  
 Secretary of War, to His Excellency Gov. Davis  
 of North Carolina, & to the newspapers for  
 publication.

The above resolutions were then submitted to the Regiment & upon being read all arose for a fair & free expression of opinion, when it was found that out of nearly 500 who were present, only about 20 were opposed to the Resolutions.

The resolutions were accordingly declared adopted, & the meeting adjourned.

The third part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as  $t \rightarrow \infty$  if the matrix  $A$  is stable and the matrix  $B$  is not stable. It is shown that the solutions of the system (1) tend to zero as  $t \rightarrow \infty$  if and only if the matrix  $A$  is stable and the matrix  $B$  is not stable.

House of Representatives  
Richmond, Feb 10 1865

Sir: The undersigned members of Congress from Texas most respectfully and earnestly recommend for promotion to the rank of Brigadier General Colonels Walter P. Lane, William P. Hardman and Richard Waterhouse each of whom is now commanding a Brigade in the Army in the Trans Mississippi Department. Colonel Lane has been a soldier from boyhood having been a Lieutenant of Artillery at the battle of San Jacinto in the Texas revolution. He entered the service of the Confederate States as Lieutenant Colonel of the first regiment which left the State of Texas. He has been commanding the brigade he now commands for nearly two years, - has been in many battles & his whole term of service has

been the commendation of his superior officers.

Col Hardman entered the service with the Sibley Brigade as soon as it was raised. He has participated in many battles in Arizona, in Western Louisiana and in Arkansas. He has been commanding the brigade he now commands for nearly two years, and under all

Circumstances has given entire satisfaction  
to his men and superior officers -

Col. Waterhouse entered the service in  
1862 in command of a regiment which  
was raised mainly by his personal influence  
and industry. He has proven himself  
a gallant soldier and efficient officer.  
His Brigadier General in the Central Army  
- having fallen at Franklin, Tenn, he has  
been ever since in command with entire  
acceptability to his Brigade and satisfaction  
to his superior officers -

We feel confident that the appoint-  
ment of these officers as Brigadier  
will very greatly promote the efficiency  
of the Military Service in Texas. They  
are all citizens of Texas and have much  
influence in that State.

Now by least service the promotion  
we ask for them. The brigade, which  
they are now and have been for some  
time past commanding are comprised  
entirely of soldiers from Texas. Their  
promotion is recommended by the  
General commanding the Texas Militia.

give him assuring that it may

should the President not

Gen.

Headquarters Wharton's Cavalry Corps,  
Chambers, Houston, July 20th 1862.

I have the honor to call your attention  
to the meritorious services of Col. W. P. Lane,  
J. A. C. C. Comdg. Lane's Virginia Major's Cav-  
Dr and ask that you inform him to the position  
of Brigadier General. Col. W. P. Lane has been in  
the service since the opening of the war, been com-  
manding Regiment for more than two years and has  
shown himself worthy of this position on many  
battle fields. He received a Commission in May 1862  
from Paul Beauregard the badge of distinction and  
was mentioned in General Orders for conspicuous  
gallantry. He has been with me now for more  
than one year, commanding at different times  
his Regiment in the Brigade, was wounded while  
leading his command in a charge at Mansfield.  
On all occasions he has proved himself worthy  
and has gained the confidence of his superiors and  
his men.

In making this recommendation I am  
satisfied that the interests of the service would  
be subserved and a gallant soldier and worthy  
officer would be receiving his due reward.

Shull also asks the liberty to state  
that Col. W. P. Lane has the entire confidence  
of Major General Wharton who is now  
absent on leave, or he would I am satisfied  
urge this appointment. Col. Lane was also

trusted by our late Chief Genl Green, and I know  
that his wish was to have Col Lane promoted

Hoping, General, that this recommen-  
dation may meet your approval, and receive  
attention at your hands.

President instructs me to say that it is improper  
for you to announce the nomination of an officer  
and assign them to duty before they are appointed  
by him. My recommendation you saw  
you will be duly considered; but action here  
must be delayed before there can be, named  
and assigned to duty.

In the designation of commands, the com-  
mander-in-chief has directed that the  
recommendation be made; to give both the command  
the name of the General. Commanding, it is  
in my direct; preferable to the nominal dis-

In making recommendations you are requested  
to take into consideration the command and  
the services of the officer recommended.

Genl E. Kirby Smith

Chief of Staff Dept  
General

I am with the 8th Regt. Col. 1st  
8th recommending the appointment of certain  
General Officers there named has been received  
from the last column. It appears  
that there are twelve Brigades in the Trans-  
Mississippi Department organized into seven Divisions  
and four Corps. It is commanded there as in  
the Department one Brigadier, eight Major Gener-  
als and twelve Brigadier Generals. Three  
of the Corps are composed of more than one  
Division and most of the Divisions command  
are vacant. It is recommended the appointment of  
Division Commanders of the agencies of the  
service, so much that the troops cannot be brought  
together so that the Divisions may be enlarged  
that are commanded by the minor Brigades  
is not present and the place of each Brigade  
that commandants must be filled by the senior  
Officers of the Brigades.

The Division of Genl Parsons should be broken  
up as you suggested and the 1st Louisiana Brigade  
consolidated. If this be done it does not appear that  
there will be vacancies for all the Officers recommended.  
The President has therefore nominated only three of  
the Officers recommended by you, viz. Col. E. Har-  
rison and W. F. Dardeman and Genl. C. B. Lane.  
The same two Generals to others can be appointed  
and it appears that there are vacancies in the  
reorganized Brigades.

In this connection, it is also recommended that

Arkansas, his native State. He is now  
without a position and wishes me in  
the Provisional Army to S. He is well  
worthy of it and anything you can do

Answer that the General re-  
turn of the application scarcely  
allows us to be granted. The Dr

himself an excellent cogitant - one of the best men  
so officer work is here a necessary judgment and  
decisions are required that I know of. He decides  
now at the termination of the war to send into a  
lower position than he held during its progress.

We is willing to accept any position that you  
to his services and past experiences. I hope you  
and am sure that to representatives will consider  
his advancement worthy of some action.

Paulding Jan 21  
May 18 62

Laurel Sanford do hereby certify that  
during the time Captain W. C. Moore acted as  
Commissionary agent at Pittsburg Ferry Ariz  
I performed the duties of chief assistant and  
personally supervised the receipts and issues  
of subsistence stores to the troops under the  
Command of Major Genl. Hancock  
that they entered a quantity of supplies receiv-  
ing there has been some private sale to  
Captain Miles (last May 20). Saying I ordered  
by such transportation as might be  
advised. - Country Wagons frequently  
packed into the service, and packages  
have been without reference to their safety  
and protection. That for a large portion  
of the time scales could be obtained  
for use by Capt. M. and that for as  
more necessity occurred at the as-  
signed magazines. Thus increasing  
discrepancies of balance by frost in <sup>the</sup> ~~the~~  
-scales. But also by erroneous counting  
that Capt. C. M. more frequently  
received more lots of food and <sup>supplies</sup> ~~supplies~~  
and left to two <sup>thousand</sup> ~~thousand~~ and

from <sup>an</sup> entire absence of inclosures for  
safe sleeping, many more lost  
- and from want of shelter great  
reduction of nights exposure  
- slaughtering - that in the articles of Food  
and Meat the greatest loss was sustained  
- owing to defective Co-operation  
and abandonment of all use in forming  
~~part~~ as also from the inferior quality  
- of goods used by Millers in measuring  
On the latter (after securing for the  
and testing) amounting to 400000 and  
hundred and two hundred pounds to the  
thousands. - The necessities of the army  
forcing Capt M. to receive the Millers  
nights to obtain the supplies  
that in the articles of Food and Meat  
was obtained, as also in the articles of great Food  
- and in the articles of clothing and  
became so rotten that in some cases  
the use of a shirt would be wanting  
in receipt. - In other articles loss  
was sustained but not to a like  
extent

I have the honor to

forward herewith monthly papers for October 1863.  
In reply to call for July returns I would  
state that my only transaction for that month  
was to receive from Capt J J A Lyon on the 23d \$10000.  
Deeming it not worth while to make out a set of papers

month of August.

I send you also three vouchers for my

General,

I have the honor to request a leave of absence from my Post for six weeks, to commence on, or about, the 28<sup>th</sup> Nov<sup>r</sup>. Private affairs, which I have fully related to you, induced me to make this application - Being my first request for a leave, be good a few days, since the commencement of the war, I trust the time asked for will not be considered too long to fulfil my several important engagements - I have chosen the season when I consider the indulgence may be granted me with the least inconvenience to the Public Service. Having an assistant at the Post, I think I can leave now better than at any other time. I am, very Respy

Yours affl Servt

A. R. Lawrence  
Capt. 1st Regt.

Weldon Nov. 4. 1864

Genl. I received yesterday your  
note of the 28<sup>th</sup>, expressing your  
willingness to acquiesce in my  
wish for a leave near the close  
of this month, if the exigencies  
of the service do not forbid it.  
I tender my acknowledgments, and  
beg to say, that in responding to  
your request, I have been actuated by  
views relating to the public in-  
terests, having waived all my  
personal ends to the common  
welfare, and I shall continue  
so to do - Yet it is important I  
should base my plans upon  
something specific, and to this  
end, I shall make my arrange-  
ments to leave <sup>near</sup> the close of  
this month, and shall trust  
to your indulgence, yielding  
of course to any contingency  
the public interests may demand

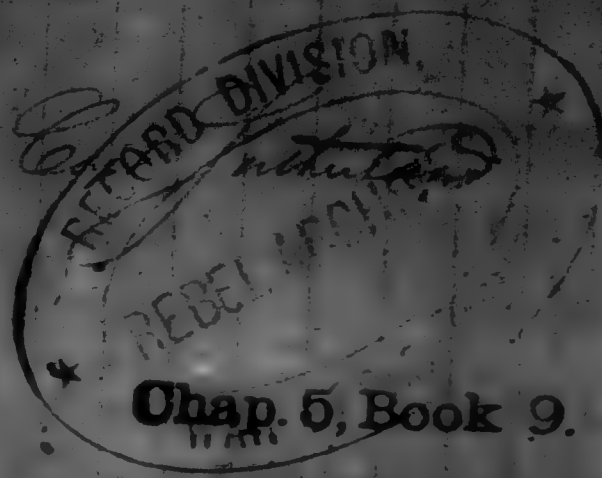

In view of the facts stated  
before - the engagement to be  
fulfilled - the settlement of  
private affairs at the close  
of the year, and the matters  
in court, in connection with  
trust interests, (so long neglected,  
to which I have to attend,  
I trust you will not consider  
that I impinge too much upon  
your leniency, if I ask for  
six weeks, as much of the  
time will be consumed in  
travelling - I think, if all  
things work well, I can make  
arrangements to leave without  
embarrassing the public interest.

subject, I should be pleased to receive them.  
If not, I beg to be informed if it would not  
be proper for me to account for monies so  
received by debiting myself on quarterly  
Accounts Current, and entering receipts of  
the Treasurer as credits.

Yours, General,

S. F. Moore  
Surg. Genl C. S. A.

I have the honor to inform you that I learned a few days ago, for the first time, that Dr. S. W. Langdon, who was appointed by the State of North Carolina Surgeon of this the 15th Regt N.C. Troops about 30th Sept. 1861, has not been, up to this time, formally recognized as such by the Confederate authorities, being probably to some extent of the Adjt Genl of North Carolina. Since Dr. S. W. Langdon's assignment to this Regt his conduct has been无可非议, and as a Surgeon he has given to both officers and men in his examinations, I therefore, take pleasure in bearing testimony to the fact that he is a good officer, and is even to be found at his post, that he has thus far discharged his duties ably, promptly and efficiently.

In consideration of the above facts, I respectfully recommend that he receive an appointment as Surgeon from the Confederate State, dating from 30 Sept. 1861.

Respectfully,  
Wm. D. Swanton 15th Regt.

Dr. Charles Langenbaker, Surgeon of the 43<sup>rd</sup> Regiment  
La. Vols. Co. I. W. Fort. Colored. A. Gerard commanding,  
having applied for a certificate in which to procure  
leave of absence, I hereby certify that I have carefully  
examined this officer and find that he is suffering  
with Neuralgia of the right supraorbital nerve,  
and that in consequence thereof he is, in my opinion,  
unfit for duty. I further declare my belief that  
he will not be able to resume his duties in a less  
period than "fourteen days" and that a removal  
to his family will benefit his health.

Richmond Dec. 24 1863.

Colonel.

I have the honor hereby to apply to you in an appointment as Second Lieutenant and Staff Master. J. A. G. S. I hope the following facts may prove the request reasonable. I served in the field from 1st May '61, till April '63.

For 18 months I was Supt. of the 1st Va. Cavalry; and the remainder of the time a Lieutenant in the Va. State Line which commission was lost by the arduous soldier & Officer, you have been informed by letters from my company & Regimental Officers.

Since I have been in your Office (six months from June '63.) I have been performing duties arduous and important. A great deal of work is caused in your Office, by the Orders requiring Enrolling Officers to arrest & return, and the Army Comdr to furnish the names of all absentees and deserters.

These lists - numbering from four to six thousand names, are sent to your Office monthly. They are entered in a register & a printed letter filled up for each

mainst, and sent to the Officer of the District in which the man is reported to be. These letters are all returned, their execution endorsed on them. This with the correspondence made of the case is entered in the register opposite the name, & the letter is endorsed & forwarded to the Comd: of the Regt. to which the ~~letter~~ belongs. These Papers often pass through your Office four times.

The Orders A. & S. O. requiring that when a substitute becomes liable on his own account the Principal becomes liable to conscription also furnishes your Office much work. The Army Commandant forwards a list of all the substitutes in their Comd: who are liable on their own account & the name & residence of the Principal. The name of the Principal, substitute, their Comd: & residence, are all registered, and a letter written in each case, to the Enrolling Officer to cause the Principal to again enter the service. The Enrolling Officer returns the papers, with the substitute's papers of the papers, which are appropriately endorsed and referred to the Bureau of Conscription, which returns them to this Office, when they

are again entered and returned to the Enrolling Officer. These Papers usually pass through the Office three or four times. A full record of all these proceedings has to be kept on the register.

All this work is executed or assisted by myself. And so extensive is it, that upon the casual assistance of two or three men, it is almost impossible to prevent the work accumulating.

Excuse my entering into the minutiae of a portion of the work of your Office, in which you are so thoroughly conversant, as I suppose this Paper will be of service. When those facts are not so well known, as they are in your case, it is very peculiarly embarrassing. Communication of the same is #47. Per original. I am, Sir, Dear Sir,

Very Respectfully

General Hospital No. 13.

Dr. S. P. Moore.  
Surgeon General &c. &c.

Sir:

Having acted as Clerk of Hospital since the Spring of Eighteen-hundred & Sixty-one (1861) and as apothecary for the past several months; a portion of the time under Surgeon V. W. Palmer, during the illness of his druggist, and latterly under Surgeon W. J. Barton I now respectfully ask for an appointment as Hospital Steward - trusting that I may give the same satisfaction in the future, that has seemed to attend the performance of my duties heretofore.

Very respectfully  
Your Obedt. Servt.  
E. J. Langelsmith.

I have known Mr. Langelsmith intimately for several years and during that time have acted as his attending Physician. He has been the subject of Calabar's disease for six years and, though now relieved from the pain by lithotomy, the impairment to his health is such as, in my opinion, to render him unfit for service in the field. As Steward in a Hospital or other employe under government not requiring exposure or bodily fatigue, his qualifications are

excellent. He is experienced, intelligent, instructions &  
perfectly reliable

Sir

I take great pleasure  
in testifying to the high moral  
character of F. H. B. Langstroth, a dis-  
charged soldier, who some months ago  
underwent the operation of lithotomy, &  
is still so delicate to be useful in the  
field - And the record of the Med Director  
he was employed by me as Druggist, when  
the former Druggist was on furlough - & I found  
him one of the best stewards I have known  
in the service - & would very respectfully  
ask, that he be appointed steward &  
ordered to this Hospital.

Mr. W. H. Hays

Col. Hays, New York

Dear Sir, please to send

The Surgeon General being familiar with the circumstances of the purchase, I shall forward the estimates, along with a copy of your Com. to that office.

Surgeon Rogers, B. Co. Arty. C.S. was ordered from this office to report himself for duty at Head Quarters, Nov. 14th. He was instructed to report, <sup>to this office</sup> as required by regulations, but nothing has since been heard from him.

Very respectfully,  
Your Obedt.  
C. P. Langworthy.

Off. Med. Dir. U.S. Army

Dec 19th 1864.

Sir,

Your Com. of the 4th inst is at hand,  
with enclosures.

I should have explained, in my letter for-  
warding the estimates for funds, the circumstances connected  
with the purchases for Wiley's Brigade. These purchases  
were made by order of Genl Van Dorn, with the under-  
standing that they were to be paid by the Gr. m. Dept.  
the order stating, "the Medical Dept. being without funds." The  
Gr. m. Dept. having failed to make an estimate covering the  
purchases, I thought proper without further delay to make  
the special estimate I did, and forwarded for the action  
of the Genl Comdg. Genl Wiley's Brigade was or-  
dered and directed Command, and not connected with  
the Dept, and hence the action of Genl V. would be subse-  
quent on my paper of my own. The Brigade of Wiley had  
its own Corps of staff officers, including a Medical  
Surgeon, but the duty of furnishing them with Med. Stores  
necessarily was imposed on the Dept.

I have the honor to enclose herewith.

For the approval of the General Commanding the  
Dept., duplicate "Special Estimates" for funds, on  
the Treasury Dept. This Estimate is for the payment  
of Medical & Hospital supplies purchased for District  
Brigade, by order.

I have to request that the General  
will act on these Estimates without delay and forward  
the same to the Surgeon General.

Very Respectfully,

Letters Received  
A & I G O,

Head Quarters Army of Pensacola  
April 18<sup>th</sup> 1862

Sir.

I have the honor, respectfully, to call the attention of this Genl. Commanding to the case of Capt. S. M. Lanier, who has been notified that on account of not forwarding his bond, he has been or will be dropped from the rolls of the Army.

As the Genl. remembers the character of the duty Capt Lanier has been performing at Pensacola during the whole of last year, he will recollect that his services could not be spared long enough, even to allow him to go and complete his bond; and as the Govt. would have suffered more by such an absence, than it would have been benefited, have was refused him when asked for, for that purpose.

As it was not an intentional neglect of the law, in this Office, but an urgent public Necessity, that prevented this ~~off~~ bond being handed in. And as Capt Lanier is a most Efficient Dr. Master, and excellent gentleman & Officer, and as his services are absolutely indispensable, at this place, I beg that the Genl will place this matter before the Dept in such a manner as to

as to insure its proper consideration, and in  
order that this officer may resume his his  
duties.

End. v.

I find you will excuse me for leaving the liberty of calling your citation to my present position in this way? I believe that I was recommended by you to be as the Brigade Company with some of them. I was appointed to the Company with rank of Captain and am still only Acting Brigade Commissioner. There are Asst. Commissioners attached to regiments in the West that rank me as lieutenants of Companies. We have a large Command - the duties are various and irksome and I am trying to ally to you for the Brigade appointments and which I believe is an avenue to obtain for me. I said for the record and to see if it will enable me to secure to manage the attachment to your regular satisfaction and to the best interests of the service.

It is possible we may be controlled  
to fall short near the time.  
That will furnish a great many

troops to this Department and it may be  
necessary to get more supplies in the  
future. It must be remembered that I may be  
authorized to draw for supplies in your  
Purchasing Commission at New Orleans.

You will be pleased to hear that the  
war will give you even information  
in the future to the residents of this Country  
and Texas.

I am Col. very respectfully

A copy of a letter from Brig Gen Jordan  
Chf of Staff v. A. Seal, addressed to Brig Gen. Maynard  
in reference to my officer's bond, forwarded to me by you, has  
been recd. In reply I beg leave respectfully to say,  
that my official bond has never been forwarded to me from  
the office of the 2. M. Seal - nor from the office of the Adjutant  
General.

From the wording of the "Circular", of which I have  
find a copy in the next page, I inferred that ninety  
days were allowed to execute the bond, after receiving  
the bond from the Quarter Master General. As, however  
I have procured a copy of the bond (as used) from another  
source, and will have it executed as soon as possible.

Genl J. Cooper  
Adjutant & Inspector Genl.

I respectfully  
ask of the War Department, an  
appointment, under the act of Oct 11<sup>th</sup>  
1862, as Captain, with authority to  
raise a company of Cavalry in  
Kentucky. I accompany the  
application with the enclosed recommend-  
ations of my several friends of the Army, in  
Ky. I have received authority from  
Genl. Hays to raise such a company, but  
since General Order No 28, paragraph III was  
issued, that I presume is insufficient and  
I now respectfully ask for such a commission  
directly from the War Department.

Respectfully,  
James B. Latta

 awarded of bond for his head by the Federal  
 authorities. Because of his having, while a citizen

And turning them over to the Confederate  
authorities and having them thrown out of position  
the death of Brig. Gen. S. Nelson at the Battle  
of Chickamauga, it is ordered by the Brig. Gen.  
Military Bureau, that the officers of this  
regiment do not interfere with Capt. Larose until  
officially ordered so to do by the Secretary of War.  
It would be manifestly unjust to condemn  
Capt. Larose to death for a crime which  
it would not be entitled to the privileges  
of a prisoner of war, but would be  
at once delivered to the Civil authorities for  
prosecution as a felon.
